### Testimonial

We would like to inform you that we have been using the Ultrasonic immersible transducers system supplied by M/S: Samarth Electronics-Ambarnath at our process plants for the last two years and we are completely satisfied with the results and performance of the equipment. We have achieved Good and fast results in the process after using the provided systems. We do appreciate the efforts taken by Samarth Electronics team to understand our requirements and design and develop the system as per our requirements. We do wish them great success in their future business.

Regards,

Deepak P.Gadre.

Director.
